Avondale Residents Association

Neighbors Stronger Together

In addition to sponsoring annual neighborhood social events including the Fall Picnic and Spring Social, your ARA Board works hard on our advocacy efforts working actively with City of Sarasota representatives for neighborhood improvement and traffic calming measures (for example the flashing speed sign coming soon to Osprey).

Additionally, through our active participation in the City Coalition of Neighborhood Association (sarasotaccna.org), we advocate on behalf of our residents and neighborhood. The ARA's participation at CCNA enables Avondale to have a voice in city-wide issues. We use this opportunity to keep abreast of issues facing our city and neighborhood, to advocate on your behalf, and to keep you apprised of city happenings that may impact our residents. Avondale has a stronger voice as a neighborhood group than we could ever have as individuals. For more information, please visit our website at avondalesarasota.org.

Thank you for your support of the Avondale Residents Association.
